Before you turn the pages of TITANIAN '78, think about the year 1978 you spent at San Marino High School. No matter if you were a senior or a freshman, a junior or a sophomore, faculty member or a new student, the year 1978 was unique. Certain fashions and fads were particular just for the year. "STAR WARS" became the biggest money-making movie ever made. Soccer rapidly gained popularity all over the United States. And at school ... the cheerleaders, the sport teams, the student cabinets, and even the homeroom policy were all different from the years before.

TITANIAN '78 is a history book of the year 1978 at San Marino High School. This history book, however, is more colorful and graphic than most. Why? Because 1978 was as exciting or deadly dull, as happy or tearfully sad, as wonderfully long or thankfully short, as there are colors in a rainbow and lines in a book...

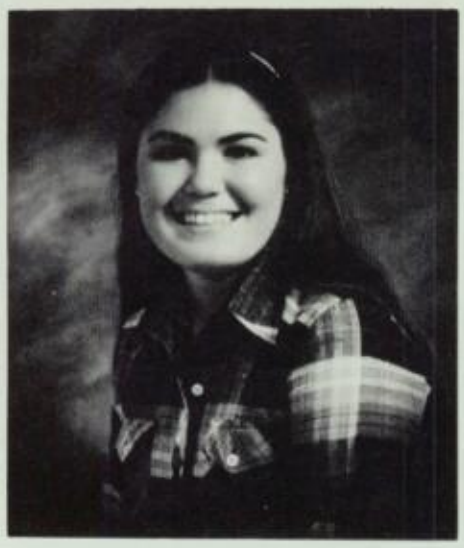
THE CLASS

OF 1978

Senior Cabinet: Anne Marie Campbell, Secretary; Sarah Bleecker, President; Liz Nelson, Social Chairman; Nontie Drez, Vice-President; Kirk Marangi, Treasurer.

Summing up the class of 1978 throughout their four years in high school, Dr. Jack Rankin, principal, stated, "This class is an unusual class in that it has been able to maintain a consistent level of enthusiasm and spirit of togetherness throughout its four years. A typical example of this is the preparation of their senior homecoming float. Thursday night, before the parade on Friday, over 175 students were working on their award-winning float until after midnight. The graduating class of 1978 is definitely not typical, but in fact, is quite unusual because of its overwhelming feeling of unity."



Dare To Be Different

Dare to be different; life is so full
Of people who follow the same push-and-pull,
Poor plodding people who, other than name,
Try to pretend they're exactly the same.

God made men different; there never will be
A replica soul made of you or of me;
The charm—the glory of all creation
Rests on this very deviation.

Your charm—your own glory, too,
Lies in being uniquely you—
Lies in being true to your best,
That part of you different from all of the rest.

CARE Counsels

Consultants assisting responsible education, that's what it's all about. These twenty, involved seniors of the CARE program organized several meaningful discussions concerning peer pressure, communications, realistic goals and a special self-evaluation to present to the sixth graders of Huntington School. The purpose of this program is to help the students become aware of everyday concerns. Having been the first class of sixth graders to experience CARE, these CARE consultants were able to view the program from both sides, which added to the success of their year.

The Board Directs

Senior Advisory Board . . . always ready and willing to lend a hand. This group of seniors worked diligently on various fun and profitable activities. The year started out tremendously with their great planning of the sweepstakes-winning float. Senior polls announced during the Homecoming dance, were planned, organized, and presented by these students. Later in the year they assisted in swimming and basketball concessions. The Senior Class sincerely appreciated the Board's willingness to contribute to their class.

JUNIORS

JUNIOR CABINET: Leslie DeWitt, Secretary; Kerry Kostlan, Social Chairman; Bruce Renwick, President; Melinda Weisz, Treasurer; Tricia Luscombe, Vice President.

The Junior Class had a "highly successful year," according to President Bruce Renwick. The Concession Stand, the class' main fund-raiser, brought in a lot of money. Juniors served chile, hot dogs, soft drinks, candy, popcorn, etc. during the home football games. This success could not have been achieved without Junior Class support.

The juniors carried out the Homecoming theme, "Brought to you by the Titans," by building a giant battery. The float was designed by Matt Wood and built at Rick Acero's house. It was pulled by junior girls dressed as flashlight batteries with the slogan "Titans are Eveready."

The student directory's theme, "The Yellow Pages," was the brainstorm of Debo Hoover, and the whole book was yellow. It had twice as many pictures as last year and extra pages for notes, birthdays, appointments, and emergency numbers.

All of the money made from the Concession Stand went toward the Junior-Senior Prom. It was held at the Biltmore Hotel in Los Angeles, and the theme was "A Touch of Class." The ballroom itself had a "touch of class." It was a lot of work; however, the cabinet was happy with the outcome of the Prom.

SOPHOMORES

SOPHOMORE CABINET: Carol George, Social Chairman; Kathy Gillaspie, Vice-President; Laurie Rossiter, Secretary; Paul Hoffman, President; Kal Benuska, Treasurer.

The sophomores started out the year great with a first-place float. The float designed by Kathy Gillaspie and Pam Seidel, was a Hawaiian Punch can that said, "Titan Punch."

In order to raise money for the float and Rivalry Day, the sophs had a car wash and a Dime-a-Dip dinner. According to the treasurer, Kal Benuska, the selling of X-mas greens was the most profitable fund-raiser.

For the second time in the history of Rivalry Day the sophomores lost, even though they overcame the freshmen in grease pole, tug-of-war, 20-man relay, the boy's pie-eating contest, volleyball-two out of three relays-and tied in the dance contest. This was quite a shock for the class of '80. Some students felt the sophs lost from their over-confidence. But whatever the reason, Rivalry Day brought the class together.

FRESHMEN

FRESHMAN CABINET: Suzie Saliba, President; Chris Baldo, Vice President; Barbie Lowe, Treasurer; Pam Baker, Social Chairperson; Danelle Spencer, Secretary.

The freshmen held many fund-raisers this year: a combination bakesale, car wash and rummage sale. They sold Christmas candles, sponsored an after-game dance and had dime-a-dip dinners. The class officers welcomed the new students to the high school with a swim and barbeque the week before school.

After two weeks of hard work, "The Titan Bowl" made its debut down Huntington Drive. It was a giant toilet with Trey Pinner as "The Titan Bowl Man" flushing the Spartans.

The climax of the year was the Rivalry Day weekend during which the Freshmen Class broke a decade-long tradition by upsetting the Sophomores 121-108. Some of the events were changed, bombardment was put in instead of soccer and a girls' grease pole. The freshmen worked long and hard preparing for the weekend. "I'm glad that all our work paid off," stated Pam Baker, Social Chairman.

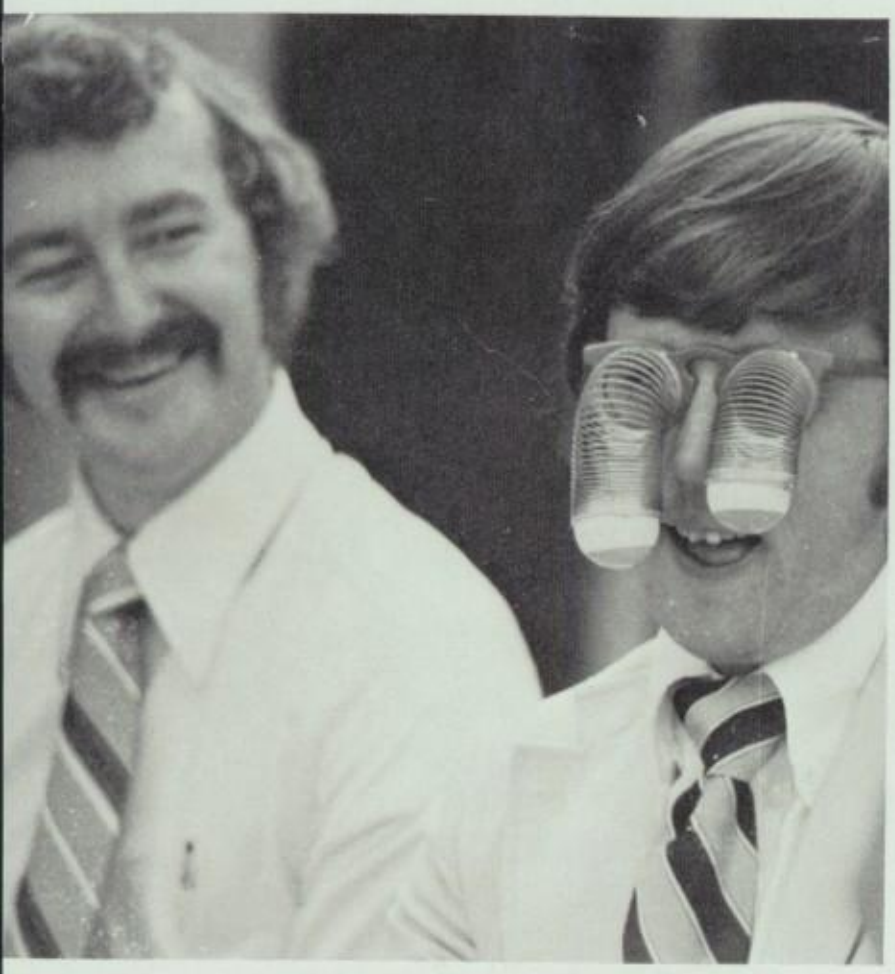
FACULTY



Dr. Rankin Likes SMHS Principalship

In Dr. Jack Rankin's ninth year at S.M.H.S. and his sixth year as principal, he felt that there is no better principalship anywhere. He said, "I have the privilege of working with the best students, an outstanding faculty, and the most supportive community any place!"

Dr. Rankin advises and guides everyone to the best of his ability, and is a friend to all.

They Advise

Whenever help is needed in making college or career choices, the counselors are always around to help students. They take a personal interest in each student and try to help him or her to make the right decisions. The counselors help students to choose classes, to get involved in extracurricular activities, and numerous other things. Without the help of the counselors, many students would be lost in making school-related decisions. This year the SMHS Student Body was fortunate to have Mrs. Linda Becker as a new addition to the counseling staff.

Mr. Dan Mooney, Mrs. Dorothy Kuhnlein, Mrs. Linda Becker, and Mr. Joseph Volz.

Bill McDermott, Assistant Principal-Instruction and Pupil Personnel

Goals Are Achieved

Dr. David Brown, assistant principal of activities, has appreciated the attitudes shown by the students this year. He enjoyed working with people who were supportive and willing to help carry-out all the educational goals and activities that were attempted this year.

A new face was seen this year in the office of assistant principal, instruction and pupil personnel. Dr. William McDermott, who is in charge of working with counselors and teachers, had a very enjoyable first year. He also said that a new school and a new community gave him a needed new challenge.

Ladies Work Hard

Whenever someone needs an attendence card, checks out a library book, or has to go to the Main Office, A.P.O., Career Center, or Counseling Office for one reason or another, he or she runs into the help of one of the nine secretaries at S.M.H.S. The secretaries work hard everyday to help keep the school running efficiently. This year there was a new addition to the secretarial staff; Mrs. Phyllis Hall was the new bookkeeper in the A.P.O.

Campus Is Kept Clean

Why is it that every morning before school no trash can be seen on the campus, and why are all of the chalkboards clean? Who is it that fixes jammed lockers? The answer to these questions and many more are the diligent custodians that every student and teacher depends upon. Without their help the campus would be a mess.

Hunger Pangs Are Satisfied

The bell at the end of fourth period rings, and there is a race to the cafeteria. People start stuffing themselves with anything from tacquitos to cookies to peanut butter and jelly sandwiches. The ladies in the cafeteria work hard every day to try and keep both students' and teachers' hungers satisfied.

No Faculty Added

The student body this year totaled 1,326. Due to the fact that the student population did not increase, SMHS had no teachers added to the staff at the beginning of the year. According to Principal Dr. Jack Rankin this is the first time that this has ever happened at SMHS.

STUDENT LIFE

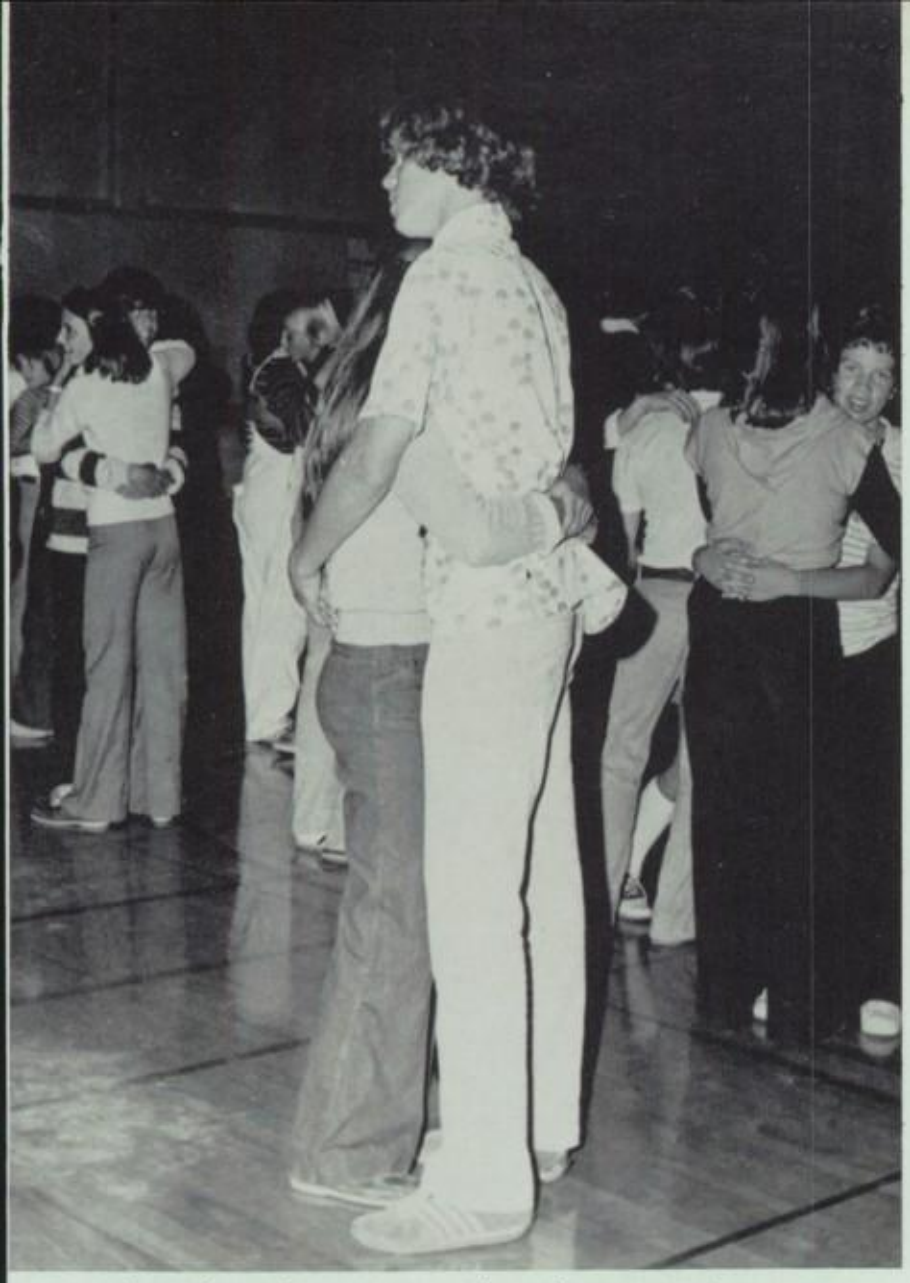
'Dance With Me; I Want To Be Your Partner'

The rock group, August, received a large turnou
after the second game.

Pete Botsford, Ken Schumann, Bruce Sinclair, Kevin Golden: "Hey you guys! Those girls won't bite."

Tom Gadbois and Gretchen Mumbert—going the Eskimo way, while dancing to Higher Ground.

Football games were just the start of an exciting night. A few adventurous people could be seen cruising the streets, while others were out partying. Unfortunately, this left the after-game dances attended mainly by freshmen. Once inside the gym, people heard the loud music of talented bands like August and Higher Ground. This stimulated daring couples to step out on the dance floor and do some unusual steps. For those romantic people, slow music was played and well-liked. Nevertheless, there still were many girls standing in the corners, waiting to dance and guys sitting on the bleachers observing what was happening. By the end of the dance, everyone was exhausted and excited to begin the long-awaited weekend.



Who's the girl Brent Weirick is dancing with a now?

Carol MacMullin, Sue Strong, and Kathy Kavanagh—ladies in waiting.

Jeff Stroud and Mary McCoy doing their ape imitations.

HOMECOMING COURT

STACY PROCTOR

CAROL WIDRIG LIZ MATIOLI

It's A 'Boogie Night'

The Coronation was held outside at the Coppersmith's house. A pit fire was near the swimming pool to warm those people who were cold, also, this was a good place to socialize. The band played current tunes while energetic people danced. Many people played football and ate goodies. Excitement rose as the time neared to crown the Homecoming Court. Stacy Proctor reigned as Queen, while Carol Widrig and Liz Matioli were crowned Senior Princess and Junior Princess respectively. Many people felt the dance was a success, better than many others in the past.

Marla Stone and Josh Heard rock out.

Carol Widrig and Stacy Proctor are thrilled and excited at being chosen for the Homecoming Court.

HOMECOMING

Homecoming was one of the most colorful events at S.M.H.S. The day began with the student body crowding into the Boys' Gym to watch a multi-screen production called "Fat City"; "Fat City" focused on the immense effect of materialism on one's life. After group discussions of "Fat City," a hungry crowd met on the baseball field for barbequed hamburgers, potato chips, cokes, and ice cream. In the parade of "Commercials," seniors took the sweepstakes award, with the sophomores winning first place. The football game halftime show included the floats parading around the field, fire-lit batons, a gymnastic show, and presentation of the Homecoming Court. The football game ended in disappointment as the La Canada Spartans defeated the Titans 28-7. The Senior Polls Dance concluded the Homecoming activities.

'O.P.-Challenging Work,' Says Meg C

The paramedic show, Ray Marshall's cooking lesson from the Acapulco, and the traveling minstrels, Mark Lewis and Craig Coulter were just a few of this year's Open Periods. According to Meg Coleman, the Open Period Commissioner, "Open Periods were interesting to work with this year. Each year they've been improved upon, so next year they should be even better." Also seen this past year were Jess Marlow, a karate lesson from Sonny Hughes, and Mr. Schuman's famous lectures.

Mark Lewis and Craig Coulter entertain students with a SMHS favorite "Buffalo."

Russell Miller and Mark Masterson amaze the SM audience with suc classics as "Sonata" by Franck and "Impromtu" by Reinhold.

Frosh Win Rivalry Day; Sophomores Stunned

Rivalry Day started on the morning of January 5th with dozens of red (Frosh) and yellow (Sophs) outfitted people trying to hang spirit signs, but rain prevented this. During the early morning assembly, LuAnn Warren, Cabell Ellington, and Charlotte MacLeod were crowned Rivalry Day Queen, Sophmore Princess, and Freshman Princess, respectively. Both classes performed a minute-long skit hoping to tally some early points. The banner hunt, which the freshmen won, was held after school.

Saturday, however, was the major day of activities. All day long the 9th and 10th graders battled their rivals in contests—relay races, a muddy tug-of-war, a pie-eating contest, the greased pole, volleyball games, a softball game, and finally, a dance contest. The dance contest, following a pot luck dinner, was the final and most exciting event of the weekend. The final scores were announced after the contest: The Freshmen 121½, the Sophomores 108½.

Key Club members look over the entire Rivalry Day scene as they stand next to one of the Freshmen signs.

LuAnn Warren, Matt Harwich, Chris Maese, and Sandra

The Sophmore Class shows their immense concern about whether they'll win the relay races.

Freshman Bob Ott rocks out for his class in the dance con test.

Cathy Johnson tugs with all her might to give the Sophmores some more points.

Coulter run the sack race for their class.

Karen Giovinazzo: "I just washed my hair and I can't do a thing with it."

teve Renwick looks in despair as he drops the flag rom the grease pole.

The sophomores perform another one of their skits that put down the freshmen.

They're Ready for Lights on Broadway

I NEVER SANG FOR MY FATHER, BLACK COMEDY, ONE FLEW OVER THE CUKOO'S NEST, and the Frosh-Soph One Acts were the plays presented this year. The musical A FUNNY THING HAPPENED ON THE WAY TO THE FORUM, which was to be performed this year, was canceled due to the content; so, THE MAN WHO CAME TO DINNER was done as Senior Play.

The One Acts were MONKEY'S PAW, directed by Kim Bassett; AGUSTUS, directed by Jane Haladay; ONCE UPON A PLAYGROUND, directed by Chuck Hand; and HELLO OUT THERE, directed by Jim Saver. When asked about being a director, Kim Bassett said, "It was a good experience to get on the other side."

Dennis Higgins, Paul Sievers, and Brad Weirick look on as Charlie Youngblood takes advantage of Allison Booth's back being turned.

Harold (Reid Francis) is distressed over the disappearance of his furniture.

Yosemite Is the Life

"Yo ho, yo ho, the Yosemite life's for me!" sang some 185 San Marino students as they hiked across the Yosemite Valley. These students were participating in the school's annual trip to the Yosemite Institute, where they hiked, snowshoed, and cross-country skied. Yes! There was snow. At first it rained and snowed, creating the concoction "snud" (snow and mud).

However, soon the temperature changed and snow was everywhere. One student said, "I'm glad it snowed, because Mr. Wells could again prove his right to the title of hardest snowball maker." With the snow came wet socks and boots. Everyone seemed glad that they had brought along extra snowseal and that the WOB's (cabins without baths) had furnaces. Rain ponchos were another life-saver. "My poncho didn't do much for my figure," said Tricia Jackson, "but it helped me fight off colds."

This year there were specialty hikes every day. People went to such places as Yosemite Falls, the Indian Caves, animal appreciation, and survival hikes. There was also a more serious side to the trip. Martha Arterberry said, "Yosemite made me realize how far we are from nature in San Marino."

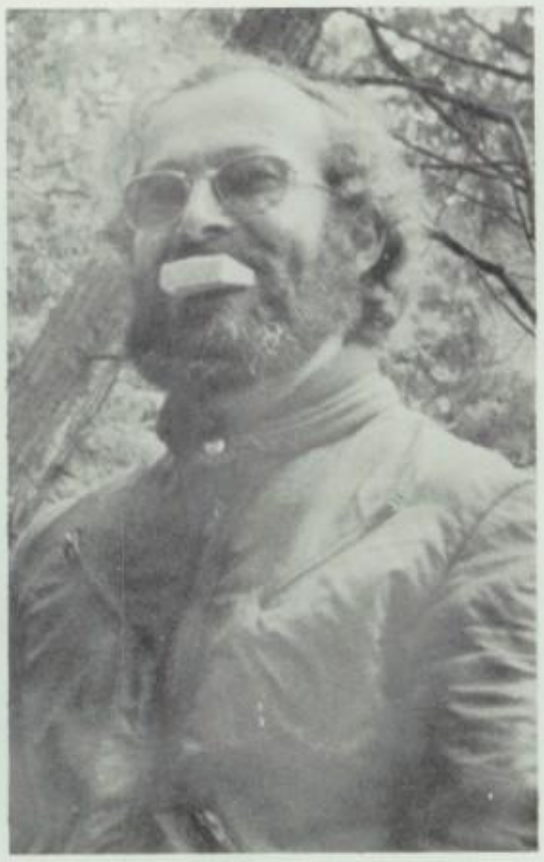
Mrs. Murray shows her affection for a giant Sequoia.

Meg Coleman prepares for a day of cross-country skiing at Crane Flats.

The recent snowfall added to the astounding beauty of Yosemite.

Mark Rosenthal and Bill Brugger were real "Joe Cools"... the temperature was seldom above 35° F.

The Yosemite Falls cascades down in a soft white mist.



Hungry Mr. Ryan says, "Cheese!" for lunch.

"Will it ever clear up?" Rain ponchos became a necessary item for hikers.

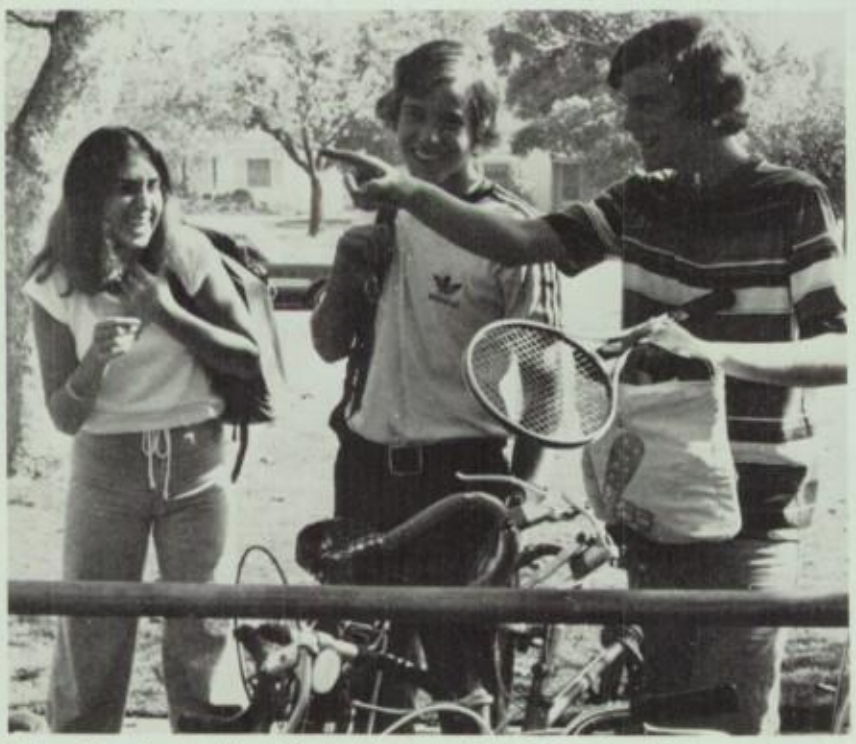
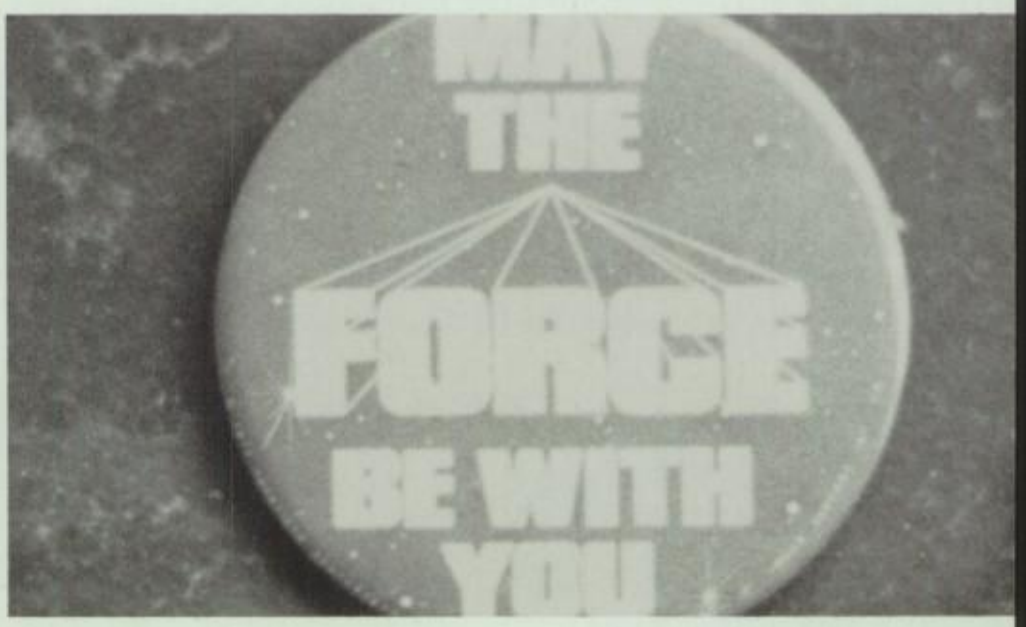
78 IS GREAT !

78' has been uniquely marked by the mad rush of mopeds, the "coming out" fashions of vogue, the new attitude toward good nutrition, and the carry-all bike bag. Mopeds such as Silver Foxy, Peugeot, and Honda, had been ridden by many personalities including Lisa Coulter, Bob Walsh, and Matt Saver. This mode of transportation became extremely popular. Also seen this year were fashions ranging from OP's and rugby shirts for guys to boots and cowl necks for girls. In order to look and feel good in this type of attire, many people ate frozen yogurt, granola bars, and sunflower seeds. Another part of the "together look" was the all-purpose back pack. The Star Wars phenomenon, and the continuation of skateboards finally outlined this year as one to remember.

Tim Higgins hangs a 360 on his skateboard.



John Sparks to Liz Montalvo and Blair Wells, "Hey you guys. It's not that funny; there goes my bike!"



Matt Harwich and Todd Don

The sign may say "salad," but these upperclass women, Carol Black, Elena Altuzarra, Kaliroi Panagiotacopulos, Lori Addis, and Becky Aguirre, are indulging in the ever-popular frozen yogurt.

Student Council Laughs, Yet Gets Job Done

"We're all crazy kinds of guys," said ASB President John Bertero as he explained the council's most unique characteristic — a sense of humor. Along with the annual auction and dance marathon, the council sponsored the first after-game dance (which was a great success) and a disco dance, where partners were picked by a computer! According to Dr. Jack Rankin principal, the council put new life into the House of Reps. "Student Council had a great time, but knew when to work," Dr. Rankin added. "Their spirit of exuberance spread to much of the student body."

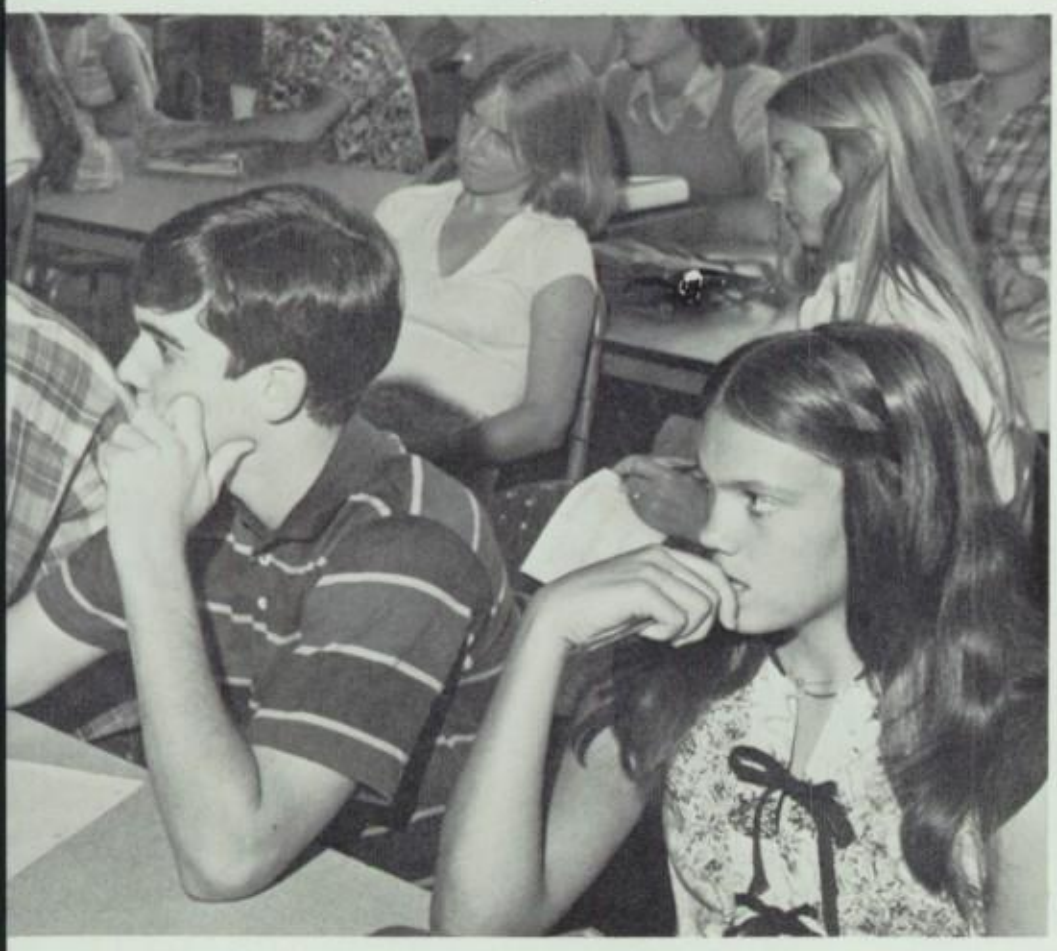
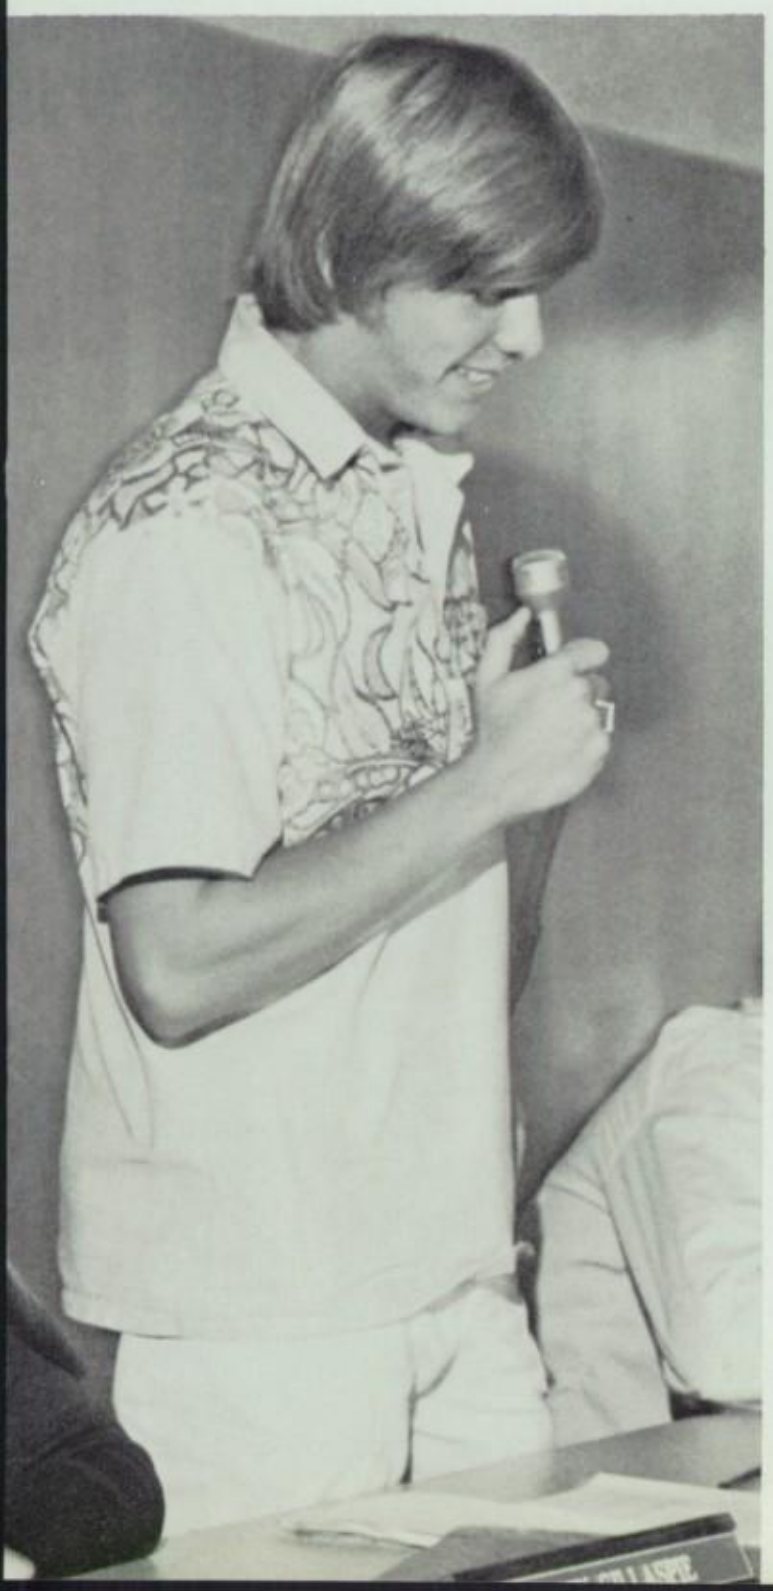
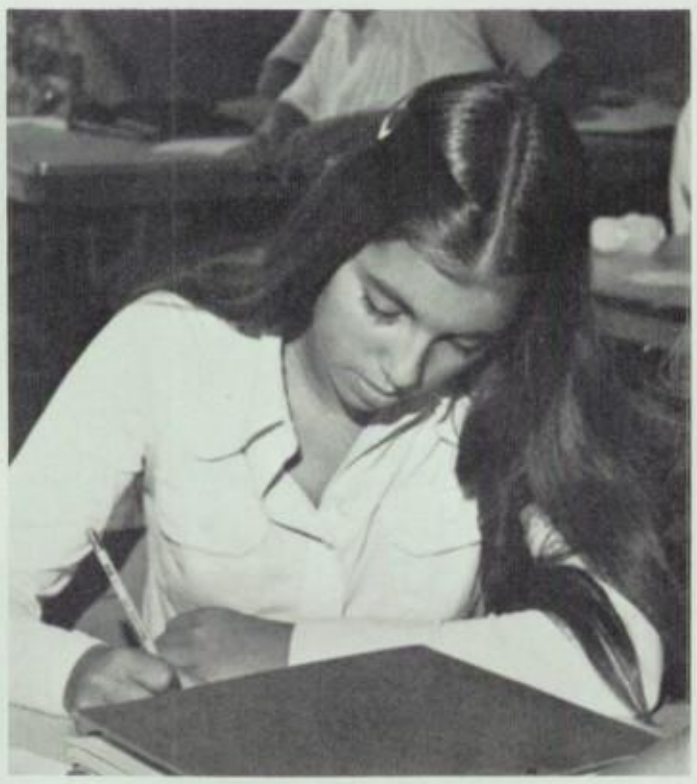
House Of Representatives: Alive And Well



Mitch Maddux, Karen Talt, and Martha Aterberry listen while Katrina Coombs sleeps.

Through the House of Representatives, students are able to express their feelings and ideas about the different aspects of school. This year the House of Representatives has worked on such problems as excess trash after lunch, and underclassmen going off campus. Doug Carter, ASB Vice President and leader of House of Representatives, felt that the year went well.





Karen Giovinazzo takes notes.

Enjoys Working Together

rench Club officers Lisa Pichel, Anne-Marie Campbell, and Gret-hen Van Steenwyk rule over lunch-time meeting.

"This year 'Toute La Bande' was more special than French Club has ever been before," said Anne Marie Campbell, "Toute La Bande" president. French Club was also more active. "Toute La Bande" members described themselves as "a group of friends" who enjoy working together to organize unique projects and outings. Some of the club's activities included bake sales with French crepes and candies, a trip to Disneyland, a French Cafe, a concert by the French folksinging group "Robert Paguette et ses amis," and their Homecoming float. The togetherness of the group proved that they deserved their name, "Toute La Bande," or "All The Gang."

Celebrates German Culture

erman Club member Steve "Dudley" Soot begs advisor "Herr" Say or the "O.K." on another strudel sale.

"German Club has always been amazing, but this year it has more personality than ever," said German Club president Delanie Dodson. German Club is also larger than ever with more activities and fund-raising events than ever before in the club's history. Along with the traditional "Octoberfest (without beer)" festivities, trip to Magic Mountain, strudel sales, and ice skating party, German Club also sponsored an arm wrestling contest, and celebrated the German culture in just about every way.

Mixes Past And Present

atin Club members Julie Richter and John Hancock lead Homecoming float.

"Latin Club is a combination of past and present," says Julie Richter, Latin Club president. The Roman Banquet and Saturnia were activities which reflected the past, while the swim party, car wash, Homecoming float, and trip to Magic Mountain showed that Latin Club was really up-to-date. Another one of the ways which Latin Club spent their time was planning and attending the Latin Club convention at Hoover High in Glendale. Latin Club certainly combined elements of the classical past along with the present to create an interesting as well as active year.

Math Club: 'Unique,' 'Fun'

Math Club considered itself one of the most "unique" clubs in the school. Their motto was, "Math is not pure drudgery. It can be fun, too." With this motto in hand they went to other schools and colleges where they and other students competed in solving math problems. These contests were held to promote an interest in math outside of the classroom. The Math Club's main goal was to set up an inter-scholastic-math contest among the area schools.

Art Club's new officers and new advisor, Miss Lindy Robles, stressed that their members must be original and creative in their thinking. Each member was able to express himself through his own Christmas project, which he sold at a Christmas Art Sale. A carwash/bake sale was held to help raise the money needed to buy art supplies for their various projects. The biggest and most exciting project, according to Kim Assaf, Art Club President, was sending a member to summer art school on a scholarship.

The National Forensic League started off the year winning a number of awards by November. They participated in league tournaments against other schools. The National Forensic League is a speech club, and they competed in events ranging from debate to dramatic interpretation. Students from all grades participated in the tournaments. Each member decided what events he would compete in, and was individually responsible for his speech. Some of the individual award winners were: Diane Harwich, Doug Carter, Fred Larsen, Sarah Van Derveer and Steve Warren. Thespians Involved In Plays, Trips, Fun

Each time the Thespians were involved in something, there was much enthusiasm from everyone. Such was the case with their first play, the musical I Never Sang For My Father. The Thespians was one of S.M.H.S.'s most talented clubs and certainly one of the most entertaining. Not only actors, though that in itself was a lot to handle, they were also honor students in drama. Some of them were also involved backstage taking care of lights and props. This year there was a, Thespian-sponsored, week-long trip to N.Y.C., open to anyone at S.M.H.S. This trip took place the week before Christmas. Before Christmas was the Halloween Best Costume Contest, where the Thespians offered a prize to the student wearing the best costume to school that day.

Stage Tells the Story

What would happen to major productions if stage were to stop being? Why, there would be no plays or musicals at all. Stage may be a small group, but they get the job done well. When the time comes for SMHS' version of a Broadway smash, the sounds of hammers and saws can be heard coming from the Auditorium. Soon these sounds turn into the great sets that are needed to make the play or musical the best it can be. Stage is essential to S.M.H.S.'s student entertainment. Stage, a group greatly appreciated by one and all.

Omegas Aid

Besides being a service club for the school and sponsoring several social activites, Omegas supported a series of special projects for the hard-of-hearing and deaf children at Granada School. The members planned several holiday activities for the children, such as carving pumpkins and bobbing for apples at Halloween. Some of their other school activities included the Halloween pumpkin sale, a Christmas fashion show, the annual Bank Dance, a car rally, and the sponsoring of Work Week.

Delphians Reorganize

Delphians have reorganized their club and opened membership to all who wanted to join. They obtained a large crew to preside over such activities as the traditional tricycle races and Halloween Insurance Sale. Delphians also worked at the Sugar Plum Tree, an organization which was located at the Santa Anita Fashion Park, and distributed Christmas gifts to foster children. Between club reorganization and service activities, Delphians experienced a very challenging as well as interesting year.

Along with holding bake sales featuring zucchini bread, carrot cake, banana bread, and their infamous gorp, Ecology Club has also reorganized the recycling center and put hundreds of old newspapers, aluminum cans, and bottles back to good use. Lettermen's Club Becomes More United

Lettermen's Club was more of a united and organized club this year, according to Ryan Harrison, the Athletic Commissioner and club president. They had more activities which could include more of the members, such as the annual Powder Puff football game, the "Super Teams" competition week, in which all varsity players could compete, and a new activity, which was doing the Hall of Fame together as a club. They also sponsored other school events, such as the Senior-Faculty basketball game and an after-game dance. Besides competing with other Southern California high schools in the Owego League, the club held the Ski Club Championships and The San Marino Invitational.

When asked what is different in California from their own countries both AFS students agreed, "weather." 'I missed the white Christmas we have in Finland," said Mirja Vanttinen, "but due to my wonderful family, the Christmas spirit was still there." Jennie Smith said she was glad to be an AFS student because she could rid people of their misconceptions about her country, England. Band Marches On

What has 170 legs, stampedes on football fields, and emits harmonious bangs, clangs, tweets, and thumps? The San Marino High School Marching Band! This year's band tooted and tweeted through six half-time shows. They also marched at the Los Angeles County Fair, and participated in the U.S.C. band day. The band raised enough money to buy new hats. "Actually we look like marching Q-Tips wearing them, but they add a lot to our performance," said member Tim Smith. Director Thomas Murie added that, "The '77-'78 band was bigger, better, and abundantly talented." He felt this was partially due to the excellent tall flag and majorette squads.

Concert Band Is The Biggest In SM's History

This year's Concert Band held a pop concert, a spring concert, and a Christmas concert. "Our Christmas concert was second to none," said solo flutist Mark Masterson. The band also played at Knott's Berry Farm, and received an award for their participation. The 60-member band is the largest in San Marino's history. "I'm delighted and pleased with Concert Band," said Thomas Murie, director.

Team Recovers From Slow Start

The '77 varsity football team got off to a slow start. They were an inexperienced ball club, but gained momentum with each game. The starters were John Sprein, Porter Norton, Karl Hutter, Carl Hullick, Mike Hull, Bill Garrett, Bob DeWitt, John Lewis, Richard Highleyman, Jim McManus, George Altuzarra, Scott Rose, with Dan Bryant and Bill Steele alternating as center. Junior Ken Cunz and Sophomore Ted Polich also made the starting line-up. Tailback-John Sprein felt, "To win Rio Hondo League may very well be tougher than winning C.I.F. The team that improves the most is most likely to win Rio Hondo and C.I.F."

The sophomore football team headed into tough league competition this year. After a strong freshman football season with a 6-1 record, Coach Bill Maloney predicted that with the help of the outstanding players, John Crowley, Chris Maese, Carl Maese, Jay Borzi, and Mike Hoy, the sophomores should be in first or second place at the end of the season.

Swimmers Are 'Quick, Intense'

Early in the water polo season, Coach Scott McFarland predicted that his team would make it all the way to C.I.F. Almost all the players this year were experienced in winning; many of them went All-League or League in 1976. The goalie, Mark Miller, was said to be one of the best in S.M. history. It seems that Coach McFarland was very proud of his team and made sure to compliment every player in saying that they were from "very quick to very intense" competitors.

Jeff Davis, the coach, named David Speiser as the best player and leading scorer. Speiser was the team captain this past year, and according to his team, he did a very good job. Other outstanding players were Elliot Speiser, Gary Cohen, Will Irving, Larry Wainschel, and Jim Wallace. Coach Davis said that the team's toughest competition was against La Canada since La Canada was the only other team in S.M.'s league.

The frosh-soph waterpolo team was a very strong team, according to Coach Burt Kanner. Coach Kanner predicted early in the season to have to fight for the league championship with La Canada, and indeed they did.

S.M. beat La Canada in both games this year and showed their continuing strength in the game of waterpolo. For the second year there were girls on the team; Cathy Johnson for one has returned while Priscilla Botsford and Suzi Saliba were rookies.

Coach Kanner showed much confidence this year which in turn made his team play in a more positive way.

Team Is 'Strong,' Dedicated to Win

"If a person is not able to cope with being physically exhausted, he will not be able to endure, and success will not be reached," said Tony Martin, captain of the 1977 cross country team. The team was dedicated to obtaining victory in league and C.I.F.

"They were a strong and enthusiastic group," said Coach Phil Ryan. Rounding out the top seven were Steve Wilkinson, Charlie Martin, Ron Satchell, Steve Smiley, Jim Hinkley, and Mike O'Brien and Ron Burkey alternating in 7th. Tony Martin broke Arcadia's course record with a time of 15:22 and held Lacy Park's record in a time of 15:36. In conclusion, Tony Martin said, "All the team members seemed to enjoy the sport which made it all the more profitable."

The 1977 J.V. cross country team was expected to go undefeated, as it has done in the past years. "The formula for the success and talent this team displayed was a strong combination of great determination and pride. Coach Phil Ryan predicted at the beginning of the girls' cross country season, "By the end of the season the girls will have a body like mine (twine?). How delightful!" The girls did not look like Coach Ryan, but they did fulfill another of his predictions. Early in the season Coach Ryan felt that though, "the girls lack depth right now, in a few weeks, we should have five strong runners well capable of taking league." Through the effort of twelve girls, the girls' cross country team took first in the Rio Hondo League. Varsity runners included Captains Anne Barrett and Ginny Thompson, Diane Brink, Kathy Mykytiuk, Teri Saliba, and Leslie Leland. Diane Brink had an exceptional season breaking the Arcadia Course record andthe San Marino Course record. Diane was also honored by The Los Angeles Times as one of the "top prep preformers" in the San Gabriel Valley. Besides participating in the usual league meets, the team ran in the Kenny Staub, Dos Pueblos, UCLA, and Mt. SAC invitationals, taking third place in both the Kenny Staub and Dos Pueblos meets.

All Grades Add Talent

The girls' varsity tennis team, made up not only of upper classmen but of a number of frosh and sophs, advanced to the finals of CIF, but were defeated by a strong La Canada team. Mrs. Maureen Bryant, the girls' coach, said of her team, "We had three strong singles players in Elizabeth Gessford—who lost only one match in league—Kirby Marsh, and Mary Masterson. The number-one doubles team of Kim Austin and Barbara Masterson (both freshmen) showed good composure throughout the season and was probably the strongest doubles team in the league. Golf Team Upholds Tradition

"San Marino has the tradition of a good gold team. This year's team should uphold this tradition," said Coach Jack Bradford of the '77-'78 golf team. The team appears to be senior-oriented, with Steve Hoyt, an experienced tournament player as captain. Other exceptional players were Bill Leydorf, the defending league champion; Mark Jones, a deadly putter; and Tim Haines, a strong transfer from Calabasas. The golf team had an undefeated practice season. However, Bradford predicted that it would be a close battle with La Canada for the Rio Hondo League Championship.

'J.V. Has Good Year,' Maloney

"J.V. wrestling had a good year," said Coach Bill Maloney. Although wrestling is more of an individual sport, the team itself won three of its five matches. Among the outstanding wrestlers were Bill Clark, Danny Gilkerson and Guillermo Perez. The team's main problem was their limited time for practice in the Girls' Gym. With this year's J.V. team, the future of varsity wrestling looks good.

Team Has High Expectations

"The 1977-78 basketball season was a time of peaks and valleys. The team, boasting five returning lettermen, sprinted to an early season record of 10 wins and 2 loses, while setting two school scoring records and winning the Azuza tournament," said Coach Dan Mooney early in the season.

Dwight Deines felt "this year's team had a very successful year though some thought that we could have gone farther in C.I.F." The team made it to C.I.F., but lost the quarter final game.

"It is hard to say why the team didn't finish higher in post-season play, but a 20-5 record is nothing to be ashamed of," said Tim Dougherty

One of the highlights of the season were the yellow-bellies: Doug Carter, Tim Dougherty, Jeff Fraser, and John Bertero. "They were the backbone of the team," added Dwight, " and made practice less painful."

J.V. Ends 2nd in League

Competition for J.V. basketball was tough, but the team was able to overcome their opponents and have a 7-3 season. This record gave them 2nd place in the Rio Hondo League; however they were never able to beat the undefeated La Canada team. Coach Terry Dellinger felt their game was the result of help from every player on the team. This help came from not only juniors but from many sophomore starters also. Coach Dellinger named as outstanding players: "John Platz—a hardworking guard with a lot of desire and intelligence, Jeff Dixon—a supersoph with a lot of desire and intelligence, John Schmid—one of the more consistent shooters, and Tom Polich who was pulled up from the sophomore team after the season had begun—one of my most consistent scorers and rebounders and a great asset to the team."

Sophs Win Over 81% of Their Games

With less than half the season remaining, the sophomore basketball team, coached by Mr. Scott Cameron, was winning 81% of their games. Their final victory over Bell Gardens assured them the title of Rio Hondo League Champions. Coach Cameron felt that the sophomore team had great depth—there were nine different starters throughout the season. The scoring was well-balanced; high scorers included Sophs Tom McCutchan and Todd Doney, and Frosh starter Jeff Goss. Other players helpful to the team were John Hong, Larry Doan, who was voted to the All-Tournament, Team in the La Canada Soph Tournament, and Eddie Soto. Todd Doney, team member, commented, "We had a heck of a year, and friendships between team members grew stronger. On behalf of the team, I would like to thank Mr. Cameron, who worked all summer, for giving us a winning season."

National Records Are Goals

When asked for a prediction on the outcome of the season, Coach Burt Kanner replied, "There will be champions in league and in C.I.F. We are also hoping for National records." He also mentioned that the most valued players are Amir Ganiel, 500 free; Brad Davis, butterfly; Jim Simpson, I.M.; Eric Coombs, back stroke; Matt Wood, free style; and Fred Weber, diver.

Talents Are 'Great'

The frosh-soph swimming team, according to Coach Burt Kanner, had "great talents." Indeed they did with the help of many outstanding swimmers such as Amir Ganiel, transfer student from Israel who held the national record in his country for the 400m and 1500m freestyle; Eric Coombs, who was the top backstroker; Doug DeWitt, who was the distance freestyle and breaststroke swimmer; and Doug Alter, who was the distance freestyle swimmer. The outstanding freshman was Miles Cubbinson.

Titans Maintain Strong Tradition

The 1978 Titan Baseball team was a very young club. The only senior returnees from the C.I.F. Championship team were Dan Skaff, Scott Rose, and Erich VonBatsch. A host of newcomers led by Bob Walsh, Scott Spector, and Jeff Capehart helped the Titans to maintain their strong tradition as a Rio Hondo League powerhouse. The Titans had a strong battle in the league race with La Canada and usual rival Temple City. VonBatsch and Paul Samp provided the pitching; Dan Skaff and Scott Rose led the offense in what many considered a rebuilding year for Coach Michael McNamee's squad.

Contributing to the Titan cause, as well as gaining valuable experience for next year were two-year letterman Jim Irwin, out fielders Frank Giovinazzo and Burt McKee, infielder John Platz, and pitchers Mark Plamondon and Steve Little.

'Key to Success Is Pitching'

"The development of a sound pitching staff will be the key to a successful '78 season," according to Coach Martin Udell early in the season. Due to the heavy rains this winter, the baseball teams got off to a slow start. The J.V. team opened league play with only ten days of practice and two games experience. "One sloppy inning against Alhambra led to a 7-3 loss for the Titans. However, they bounced back to thrash a weak Gladstone team 15-1," stated Coach Udell.

The return of veterans Mike Turpin, first baseman, and Todd Campbell, pitcher, and the addition of several top prospects from last year's freshmen team provided the core for this year's J.V. squad.

Team Has Promise

Early in the season, Coach Loren Kleinrock stated, "We're excited about our possibilities this year. With all the rain it's a little bit too early to know for sure, but we've worked well as a team and if things go well we could have a very good year."

'Team Has Potential'

Early in the season, boys' varsity tennis team captain Bob Cornelison predicted that the team, coached by Mr. Frank Haltom, would win league for the 23rd straight year — "In CIF, semi-finals is likely; beyond that it is always hard to tell." Top players included Bob Cornelison — senior, a strong serve-and-volley player, returning as first player for the fourth consecutive year; Mike Cornelison — sophomore, a strong backcourt player; Bill Fraker — sophomore, a strong doubles player; and Scott Rebstock — senior, co-captain, a strong intimidator and runner. Other players making up the varsity ladder were Jose Perez, John Erickson, Peter Millsap, Clemens Kwee, and Glen Robison. Early in the season, Coach Haltom said, "This year's team has potential, a trait which is useless unless it produces and develops properly as we hope it will."

Before the season was long underway, the boys' J.V. tennis team appeared to be headed toward a winning season. Mr. Frank Haltom, the tennis team coach, predicted, "If the boys concentrate on unity and effort, it will be possible for them to win league." Key players included Mark Drez, Steve Warren, Tim Masterson, Steve Chen, Gray Crary, and Ed Donahue. But as Coach Haltom said, "All my boys are stars."

When asked who the top athletes are, Coach Dave Crist replied, "Tony Martin: mile/2 mile; Tom Bea, Matt Arnett: hurdles; and Jim Fisk: sprints. The top competitors are John Michel: triple jump; and Paul Reddick: pole vault." Coach Crist commented that this year's team is very talented and had the potential to beat La Canada for the league championship.

Frosh/Soph 'Round into Shape'

"We have a fine group of athletes who at this time are rounding into shape. We expect a very good season and hope to repeat last year's league championships in these divisions," stated Coach Dave Crist at the beginning of the season.

The team did "round into shape" and proved each person's individual capabilities. This year's strongest events were sprints and long jumps, with the help of Chip Berney, pole vault, with three jumpers over 10', and distance, Steve Marsh being the outstanding two-miler.

Among the many athletes, the outstanding sprinters were Chip Berney, Victor Ruiz and Morgan Tookey. The outstanding distance runners were Steve Marsh, Jim Hinckley, Eddie Soto, and Mike O'Brien. The outstanding athletes in field events were Jeff Burnett, Todd Doney, Chris Maese, Carl Maese, and Mitch Myers.

Team Shows Good Attitude

With not many returning varsity members, the '78 girls' track team was a "young but very enthusiastic group of runners." When asked about the team's strong and weak points, Coach Maureen Bryant stated that there was "not enough depth in distance and that the field events were weak at the start due to lack of practice time. However, the J.V. runners were a strong squad with a good attitude." With the help of outstanding runners such as Diane Brink, a 2-miler; Amanda Farewell, a 220 and 440 runner; Suzanne Palmer, a long jumper; Kerry Kostlan, a 100-yard dasher; and Libby Schmitt, a 440 runner, the team was predicted to end the season in the middle of the league standings.

Team Is Dedicated and Hard-Working

The '77-'78 girls' varsity basketball team experienced a very challenging year. The team had only three returning players, yet through seemingly endless hours of practice, the relatively inexperienced group became tough competition for such traditional rivals as Temple City and La Canada. Coach Lynn Murray summed up her feelings toward the girls by describing them as "dedicated and hard-working."

Team Grows in Skills

Coach Sally Winkler predicted about a 60-40 chance for success of the team. The most outstanding player this year was Laura Oliver, but Sarah Waterman and Jackie Debenedittis improved rapidly throughout the season.

"At the J.V. level everyone gets to play in preparation for varsity," so the result was a team effort, said Coach Winkler.

"Seeing each other grow in skills brings about a togetherness that one doesn't get when working with higher skill levels."

The '77-'78 girls' swimming and diving teams faced a very exciting season. Coach Tom Schmidt described both varsity and J.V. swim teams as "a group of talented and determined girls who make up one of the best teams in the Rio Hondo League." The divers were accredited with being "truly dedicated" as they spent many hours individually practicing the sport they consider "fun and challenging."

Girls Snag 'Em

With only three returning varsity girls' softball players, and all the rest up from J.V., Coach Lynn Murray had a strong team this year. She said of her girls early in the season, "We have a lot of ability. We should do well in league and hopefully go to the playoffs."

The toughest competition proved to be South Pasadena and La Canada. Catcher, Martha Becker, has been all-league for the past two years—definitely one of the best there is. Lois Blumenthal, also returning from varsity, is an outstanding second baseman.

"Strike! Try it again and keep trying," yelled Coach Jim Schuman. The practice was hard, but all the work paid off in the end. Very promising frosh were Julie Minton and Barb Masterson. Enthusiastic Katy Lillard noted, "Since this is my first year in softball, with a little help, we should win a few and lose a few.

Frisbee

Frisbee Flies On

"Frisbee is a unique sport," stated Coach Jon Imamura. "It develops speed, strength, and coordination." Right in the swing of things Harold Duvall proved to be one of the most outstanding players. Yet everyone showed his or her unique talent. Frisbee is an individual sport that takes time and practice.

'Competition Is Much Stiffer'

Competition was much stiffer this year, but together the team hoped to finish third in league. With the help of all-league hitter Dwight Deines, as well as five players off last year's varsity, the team was predicted to do very well. Steadily improving their game, John and Steve Deverian proved helpful to the team. 1978 was predicted to be a successful year for both the J.V. and varsity teams.

Girls' Field Hockey

Team Cooperates

"Hockey is a fast-moving, competitive sport that requires skill and intelligent thinking and team co-operation," said Coach Pauline Cheuvront.

One of the main things that made this year's team successful was that "they were functioning as a team and co-operating with each other beautifully."

Their team captains, Angela Khoury and Susu Trotter, were a help to the team and managed them well. Amy Anthony was an exceptional player who was very fast with stick skills. Jennie Smith, A.F.S. student, was greatly welcomed to the team. Tracey Lazzarino and Eli Harris formed a hard defense.

Susu Trotter defends her position.

Team Faces C.I.F.

This year the soccer team had to face tougher competition since this was their first year of being an "official C.I.F. team," according to Coach Loren Kleinrock. Although their team started out young, they played together well as a team and worked hard to develop their potential. Helping the team with their tough competition were Tiho Zlomislic and John Celic, who were experienced and had good leadership. Rick Jalichandra and Mike O'Brian were intelligent players with good physical skill, and Andy Minckler had outstanding potential.

Thoughts On The School Year

... I qualified for CIF in cross county ...
... the uncertainy of the superintendent retiring — what lies ahead ...
... the victory over the sophomores at Rivalry Day ...
... lack of time has been a real killer ...
... getting to start on the football team and making my first tackle ...
... Burroughs game was outrageous ...

... the freshmen seemed younger and smaller ...
... wondering if I should retire; today it sounds good, but tomorrow it may not ...

...being a senior you can act like an idiot and no one cares ... seeing that people really care about high quality work ... having senior stud status ... teachers saw me as a more adult student as a senior ... one on one competition — I choked in the prelims ...

... no pain no strain no gain ... more fun with my friends ... getting better grades ...

... I am retiring next year, and I am just realizing the immediacy of it ... the dating circles seem slower ... going off for lunch — legally ...

... adjusting to a new school and the new ways ... Yosemite — I really looked forward to it ... taking classes at P.C.C. made me appreciate S.M.H.S. ... this year I hated — too much work and boring ... no love life, no parties ...

Suzie,
You sure are a
cute girl and I
think you are
the best dressed
too! I really
~~that~~ wish that I
got to know you
better but I'm
glad I know you
a little. I hope
your future is
full of hapiness
and sucess.
Take care and
I hope I see
you next year
cuz we'll both
be around here.
G.B. Love, Joan

Suzi-
I am really glad
that I got to know
you this year because
you're really nice, pretty
girl. I really had a great
time at the prom & I have you
to thank for that. You really brightened
up Stevens class which was pretty boring, but
then again what can you expect from him. Have
a great time next year at P.C.C. & good luck in whatever
you do.

Love
Dennis Kennell

Suzie,
I am really glad I got
a chance to get to know you
better this year! You are
a really good friend and I'll
remember you and your beautiful
smile always. Maybe next year
we'll make the Rose Court, since
we will both be at P.C.C. we'll
have to get together lots; with
Peggy! Take care and I'm sure
I'll be seeing you lots!

Love
